## Travel & Accommodation

Travelling from Overseas: All London Airports are well connected by public transport. The Transport for London Journey Planner can help to plan a journey: <https://tfl.gov.uk/plan-a-journey/>. Please note that London is a large city and that travel times should not be underestimated – it is not unusual to spend 45mins-1hour travelling from a transport hub to the centre (with the exception of Eurostar arrivals at London St Pancras International, which is a very short distance from our Workshop venue).

The Bloomsbury area (where the Institute for Advanced Legal Studies is located) has one of London's greatest concentrations of hotel options at affordable rates per night. Below are a number of local options for individual booking. Prices are an estimate and should be seen as a guide. Please check with the relevant hotel or B&B for up-to-date rates and reservation information.

Russell Square is very well connected by public transport, meaning that staying further afield (e.g. not in Central London) is also an option for those willing to travel.
